

## **NIL**Industrialday 2019 - March 28-29 at SuperC RWTH Aachen

**Last Chance: Reduced Early Bird Fee ends tomorrow, February 28<sup>th</sup>, 2019**

Dear Sir/Madam,

**NIL**Industrialday the most important event for early adopters of NanoImprint Lithography (**NIL**). Please register with **reduced early bird fees until February 28<sup>th</sup>!** For registration click [here](#).

The **NIL**Industrialday 2019 will be held at **SuperC, Aachen, Germany, Templergraben 57 in Aachen, Germany** and starts on **Thursday, March 28<sup>th</sup> at 11.30 a.m.** with a walking lunch and networking. It will finish on **Friday, March 29<sup>th</sup> at 3 p.m.** Thursday's conference session will be followed by a sightseeing tour in the city center of Aachen and a conference dinner at the famous "Altes Kurhaus" in the evening. The **NIL**Industrialday offers ideal conditions for information exchange on international level.

The enormous potential which offers **NIL** for industrial use as production technology will be shown addressing the following specific areas of applications:

- Life Sciences
- Optics & Photonics
- 3D Patterning and Mastering
- Global **NIL** Perspective

Please see the conference program at [www.nil-industrialday.org/conference/program](http://www.nil-industrialday.org/conference/program).

There is still limited exhibition space available. For more information on exhibition and sponsorship opportunities click [here](#). For further information and assistance please contact us at [nil@amo.de](mailto:nil@amo.de). We look forward to seeing you at **NIL**Industrialday 2019.

This event will be organized by Michael Hornung (AMO GmbH, Conference Chair), Gabi Grützner (micro resist technology GmbH, Steering Committee), Michael Mühlberger (Profactor GmbH, Steering Committee). If you need any further information please feel free to contact us.

Best regards / Michael Hornung  
On behalf of the local organizing committee
